

TO OUR VALUED CUSTOMERS,

Yesterday the Ontario Government mandated the closure on non-essential business. See article below listed in red from the Premier's office what is considered an essential service. The full list is available here.

Additionally, the Pool and Hot Tub Council of Canada released a statement following in regards to the Provincial mandate to close. See at the bottom in blue.

Pioneer Family Pools is within the purview of this mandate from the Provincial government to stay open as we provide essential chemicals, equipment and advice to maintain water chemistry, the operation of household equipment, supply propane, supply products necessary to the operation of residences and businesses, we supply support and maintenance services including repair to maintain sanitation and operation of residential properties, and we support the safe operation of residences. See below under sections 5, 7, 13 and 70.

5. Gas stations, diesel, propane and heating fuel providers including providers of motor vehicle, aircraft and water/marine craft fuels
7. Hardware stores and stores that provide hardware products necessary to the essential operations of residences and businesses
13. Businesses that provide support and maintenance services, including urgent repair, to maintain the safety, security, sanitation and essential operation of institutional, commercial industrial and residential properties and buildings, including, property management services, plumbers, electricians, custodial/janitorial workers, cleaning services, , security services, fire safety and sprinkler systems, building systems maintenance and repair technicians and engineers, mechanics, (e.g. HVAC, escalator and elevator technicians), and other service providers who provide similar services
70. Businesses that support the safe operations of residences and essential businesses

This current mandate by the provincial government does change the operation of Pioneer Family Pools. We will continue to stay open adhering to our COVID-19 protocols. Further to this we will be suspending in-store appointments for Pools, Hot tubs, and Swim spas. It is vital during this time that we maintain our distance from one another.

Therefore these changes will be in effect starting immediately and remain until further notice.

1. The retail store and service scheduling will remain open as well as our sales, service and installation departments adhering to the COVID-19 protocols.
2. We will maintain our hours 9-5 Monday to Saturday
3. No in-store appointments for the sale of Pools, Hot tubs, Swim spas, or Renovations. We will continue to respond to our clients via email and phone. If clients stop in please inform the correct person for sales via email or phone (as is our policy do not write it down or try and remember to tell them send an email or leave a voicemail immediately)
4. The retail store is open to provide water testing, chemical and material supply, service and repair question handling and sales.
5. We can complete house visits to check on yards so long as the client does not participate and stays indoors. This applies to liners, renos, pool, spa and endless pool sales. (I will develop a communication for this)
6. During service/installation calls the homeowner must maintain at least 10' of separation but preferably stay inside. If communication is required to our team from the home owner they will be able to contact the office to communicate to the teams. (I will develop a communication for this)
7. Free delivery of our merchandise with Purchases over \$100 in London, Ilderton, Strathroy, or Woodstock (paid in full prior to delivery, delivered to the front porch or back yard not in person)
8. We will limit the store to 8 patrons at a time. Please maintain a watchful eye at the doors. In Woodstock lock the side doors.

9. Both locations must have 2 people on at any time to enforce the limit of patrons in the store. Sales team members are part of this.

This is an ever evolving situation and things will continue to change. Be safe, be diligent with our COVID-19 protocols, and use your best judgment. Contact me via cell phone or email at anytime with any questions.

Keep yourselves and family safe and healthy.

Regards,

Zoltan M.M. Dobsinai

Partial List from the Office of the Premier of Ontario

Supply Chains

1. Businesses that supply other essential businesses or essential services with the support, supplies, systems or services, including processing, packaging, distribution, delivery and maintenance necessary to operate

- 72. Child care services for essential workers, and home child care services of less than six children
- 73. Businesses providing cheque cashing services

Business Regulators & Inspectors

- 74. Organizations, including Administrative Authorities, that regulate and inspect businesses

ATTENTION POOL & HOT TUB INDUSTRY PROFESSIONALS

As the President of the Pool & Hot Tub Council of Canada (PHTCC) and on behalf of our Board of Directors I am reaching out to you, our valued members, to provide information related to the COVID-19 global pandemic, specifically as it relates to the Pool & Hot Tub Industry.

Although this situation is changing rapidly, we wanted you to know we are continuing to take steps to reach Federal, Provincial, and Municipal governments and top Health authorities for clarity on essential vs. non-essential services, and to advocate for our industry's important role in disease prevention through ongoing water quality management. We are aware of the recent announcement regarding essential businesses in Ontario and Quebec and are working tirelessly to stay on top of this and will be communicating any informative advancements as they are received.

3230 Mainway, Unit 1
Burlington, ON L7M 1A5
T. 905.335.2335
F. 905.335.2339

The PHTCC firmly believes that the companies that supply pool sanitization and disinfection materials (through manufacturing, distribution or retail stores), the companies that manage the maintenance of swimming pools, hot tubs and other artificial bodies of water and the companies currently constructing in-ground pools and spas are essential to preventing the transmission of infectious diseases, helping maintain community health, and ensuring public safety.

The PHTCC will be getting the message to key authorities that companies who provide pool maintenance and service, that are currently constructing a pool or spa, or are supplying the sanitization and disinfection materials should be considered essential and be able to stay open while observing top standards on social distancing in all aspects of their operations.

We are distributing COVID-19 best practices guidelines and industry information to ensure your staff and customers to stay safe and healthy while continuing to care for pool & hot tubs in a responsible way.

Crystal Lengua

President,

Pool & Hot Tub Council of Canada
