Fast Fix, Easy repair

Easy-Clean Net Basket includes Ultra-Fine and Spring Clean Up filters

Dolphin Premium

Add more convenience to your pool cleaning. Easy-care double filtration and other advanced features enable intervention-free cleaning of the floor, walls and waterline in all pool conditions.

The right tool for the job

The adaptable Dolphin Premium has four different Multimedia attachments for maximum cleaning power. The micro-filter is ideal for smaller debris and algae whereas the spring clean up filter plates is built to handle large piles of leaves. Scrubbing at 62 gallons per minute, means you get a superior clean.
