

LIVE, RELAX AND ENJOY.™

FREEFLOW SPAS®

PLUG-IN TO THE JOYS OF HOT TUBBING™

BUILT FOR VALUE

Freeflow Spas® are rotationally molded, producing a durable, unibody hot tub shell that eliminates the need for an internal support frame. By reducing material and labor costs, we bring you a premium hot tub experience at an affordable price.

PORTABLE HOT TUBS YOU'LL LOVE

Designed to fit anywhere you want to hot tub, Freeflow Spas come in a variety of shapes and sizes, which means there's a spa for your backyard, balcony, porch, and even tight corner spaces.

PLUG-N-PLAY

Save time and money with Plug-N-Play technology which requires no additional wiring. Simply fill up your hot tub, plug it into any standard 115v outlet, and enjoy!

ENERGY EFFICIENT HOT TUBS

Engineered for maximum performance, each spa is fully insulated with a spray-in foam that expands to fill all the nooks and crannies for optimal heat retention. All spas are certified to the strict guidelines set forth by the California Energy Commission (CEC), giving you peace of mind that your spa will keep operating costs low wherever you live.

EASY WATER CARE

Freeflow spas come ready for the FROG® sanitizing system. Prefilled cartridges automatically release sanitizer and minerals to keep water soft, clean, and clear with less effort. It self-regulates based on the water's sanitization needs, maintaining a consistent level of protection.

Available in the U.S. only; bromine is available in Canada.

WATER CARE

CLEAR WATER MADE SIMPLE

Spend more time soaking in crystal clear water with proper water maintenance made simple.

Freeflow spas come ready for the FROG® **Sanitizing System***. Prefilled cartridges automatically release sanitizer and minerals to keep water soft, clean, and clear with less effort.

**FROG® @ease® products are only available in the U.S. For Canada, FROG® Serene® Bromine is available.*

The optional **Ozone System** mixes concentrated ozone bubbles into the water to neutralize contaminants such as lotions, detergents, and organic waste.

Filters are essential to maintaining clean water and ensuring proper performance of your hot tub. Change out your filters every 3 months** for maximum hot tub performance.

***Varies based on usage.*

WI-FI KIT

EVERYTHING YOU NEED AT YOUR FINGERTIPS

The Gecko in.Touch 2 Wi-Fi Kit makes it easy for you to control your spa anywhere at any time, all from your phone or tablet. With the touch of a button, you can set the perfect water temperature, turn jets and lights on or off, monitor your water care, and track energy savings.

It's the perfect way to make sure your spa is ready for you anytime you want to soak.

The Wi-Fi kit is compatible with iOS, Android, and voice-assisted devices like Amazon Alexa and Google Home.

Smart phone not included.

All Spas can be converted to 230 volts. *GFCI protected sub-panel required in 230v mode. **Can be installed at time of purchase.

BUILDING QUALITY SPAS SINCE 1977.

Over 1.5 million hot tubs and counting.

A hot tub is so much more than just warm water and jets. It's a great way to spend time together, unwind, and relieve tension. Let us help you escape from the aches and pains of the day-to-day grind.

Choosing a Freeflow® spa comes with the peace of mind that you are purchasing from Watkins Wellness, global hot tub leader with more than one million hot tubs built. The unmatched experience of Watkins Wellness means unsurpassed quality and workmanship, along with long-term reliability for you and your family.

Watkins Wellness is part of Masco Corporation, a Fortune 500 company whose family of quality home products includes Delta® faucets, Behr® paint, and KraftMaid® cabinets.
