We are very pleased with our new Boldt pool! They were able to install a pool during the summer of 2021 and we think that was pretty impressive! The quality of the pool and installation are top notch! We are so glad that we were able to get a Boldt pool as it's not just a one time interaction. Bill was a wonderful help to us on the sale of the pool and Blake and his team did a great job on the installation. Thanks for making our backyard swimming dreams come true!

Trinity

BY **AQUA LEADER** MADE IN CANADA 🇨🇦 | BUTTRESS FREE | SALT-FRIENDLY

The Aqua Leader Trinity Above Ground swimming pool was designed with three key ingredients in mind – durability, low maintenance, and family fun! The radial resin 6" top rails and resin 7 1/2" wide wall posts were created using a state of the art injection moulding process for superior strength and preservation over time that also makes these pieces salt-water friendly.

The top rails feature unique channels that work to capture water making your rails less slippery when entering and exiting the pool. The 54" Trinity wall is the tallest we offer making it the perfect option for families with kids from young to old and swimmers from beginner to professional.

Shopped around other competitive places, and hands down this is the place to go. On the day of install I was met with a pleasant crew. During their install, it actually seemed like they were having fun doing their work. What more can you ask for!? People who enjoy what they are doing and having a good time, for work!? If I have to say anything about this process, the communication is great and the people are even greater.

We decided on a pool late in the season and were thrilled that was able to get ours in late this year so it is ready for the start of swimming season next year. Very happy with the service Ryan and his team provided. Ryan even came out and personally helped me close it because it was too late to take their pool owner's course. Thanks guys, your good reputation is well deserved!
