A little late for 2022 but would like to say thanks for an amazing job with our new pool. I would like to thank Mark and Jake for the process and making it easy and to Jake jr and his crew for the hard work getting our pool installed so we could have a-little time to swim before we closed it. These guys know what they are doing and would recommend this group to anyone planning on a pool.

Trinity

BY **AQUA LEADER** MADE IN CANADA 🇨🇦 | BUTTRESS FREE | SALT-FRIENDLY

The Aqua Leader Trinity Above Ground swimming pool was designed with three key ingredients in mind – durability, low maintenance, and family fun! The radial resin 6" top rails and resin 7 1/2" wide wall posts were created using a state of the art injection moulding process for superior strength and preservation over time that also makes these pieces salt-water friendly.

The top rails feature unique channels that work to capture water making your rails less slippery when entering and exiting the pool. The 54" Trinity wall is the tallest we offer making it the perfect option for families with kids from young to old and swimmers from beginner to professional.

Shopped around other competitive places, and hands down this is the place to go. On the day of install I was met with a pleasant crew. During their install, it actually seemed like they were having fun doing their work. What more can you ask for!? People who enjoy what they are doing and having a good time, for work!? If I have to say anything about this process, the communication is great and the people are even greater.

I bought a hot tub & a pool from Boldt. I received exceptional service from everyone involved. My salesperson Greg was more than excellent. I was very indecisive and he helped me choose the right size of pool and the right hot tub for my needs. The only thing I regret is not having them install my pool. If I have any thing to share to make your process go smoothly is, let them take care of everything!! Thank you Boldt & especially Greg for being so incredibly patient with me.

These guys are pros. Bill Hendle answered my email inquiring about above ground pools within 5 mins. In about 10 mins I had all the models, prices and specs in front of me. His estimate of the date of installation was right on and the guys who did the installation were fast, efficient, and more importantly they did a great job. One day later the guy came in to hook up the plumbing and it was all done to my satisfaction.

Highly recommend Boldt pools for a professional job start to finish!
