Your dream outdoor space STARTS HERE

Since 1975, Boldt Pools has been turning backyards into memory-making hotspots! This year, we're making a splash as we celebrate 50+ years of fun, family, and fantastic pools. Half a century of experience has taught us how to turn your backyard dreams into reality—and we're just getting started! Here's to 50 more incredible years of laughter, cannonballs, and sunny days, with plenty more on the way!

Hane's SPOT FOR FUN IN THE SUN

The Hane's have created their own personal oasis with the modern Rectangle Onground Pool that serves as the focal point for this retreat.

From the moment you step onto the perfectly executed wood deck that surrounds the pool, the stresses of the day begin to melt away.

Once you slip into the revitalizing waters of the rectangular onground pool, you'll find it hard to leave. The spacious 14' x 28' pool, complemented by the brilliant blue Cobalt Fusion Liner, invites you to unwind for hours. Just steps from the pool, the wood deck offers plenty of room to bask in the sun or enjoy a meal with friends.

With this retreat, "pool party" takes on a whole new meaning—a perfect blend of fun and relaxation.

I cannot say enough about Chris in particular! Communication was excellent. Chris was able to recommend the various trades required to do the job (electrical, gas, fence, landscape). Once we had our team in place, he managed the entire project front to back. The process was completely worry-free, and could not have gone more smoothly. I highly recommend!

Mike Kondrat

When Greg and Brice met us to layout the pool, their knowledge and insights of working in the industry for over 20 years helped us to create an amazing oasis in our backyard. Brice leads his crew extremely well and Jim, Andy, Dan, Chris and Ryan were very professional and hardworking. The crew had so much respect for our property and every day it was clean and safe. As we got our pool installed late in the season, Tony came to connect the mechanical systems and explained our pool systems very well.

I look forward to opening the pool this Spring!

Logan did an excellent job taking over our former sales rep, and was so helpful and patient with my abundance of questions regarding everything from pool install to pool function! Everyone has been so kind and helpful teaching us about pool maintenance and giving us recommendations as to what works best. Highly recommend them, especially if you are looking for a business with a family feel!

NATURAL ROCK WATERFALL

Decided it was time to replace our above ground pool with a good Onground, Chris was exceptional, from the initial planning stages to the digging, installation, closing for the winter and opening this spring. He and his team were always responsive, providing recommendations and support throughout the whole process. We are so happy and we were swimming in early May, this is the third pool we have built in our lifetime and I wouldn't ever go with anyone else again.

They are professional and ensure their solution meets the customers space and needs.

Horne's BACKYARD RETREAT

Welcome to the Horne's 15' x 29' backyard paradise!

Guests of the Horne family enjoying soaking in the modern Emerald Shaped Onground Pool, while listening to the soothing sounds of the Rock Waterfall, and looking out at the expansive Horne property. One of our favourite features of the Horne backyard is it's warm, neutral, colour palette that makes you feel that you are in a natural oasis!

The combination of the rocky landscaping, Rock Waterfall and sleek, modern, decking blend to create a truly timeless backyard style. The Full Reef Liner compliments the neutral, grey decking perfectly and gives the water it's inviting bright, teal colour.
